4. For the purpose of evaluation / comparison of bids, total lump sum cost will be considered.
5. Total evaluated financial cost of each responsive bidder shall be the basis of merit ranking of the Financial Proposal of the bid.

2.1.1 Technical-Cum-Financial Evaluation:

As per process technical and financial evaluation will be held separately. Initially those firms will be considered in the technical evaluation that have the required capabilities to meet the criteria specified to deliver all services listed in "Scope of Work" that category and also technically qualify as per criteria and the judgment based on their profile and as per the following formula:

Request for Proposals: High Impact Training Boot-camp

Providing 80% Weight, using Weighted Average Formula

$$= (100 - ((\text{Highest Point} - \text{Points Secured}) / \text{Highest Points} * 100)) * 0.8$$

The Financial proposal of only technically qualified bidders will be opened. However, the lower financial bid will have a prime upshot in the award of contract, as per following formula:

Providing 20% Weight, using Weighted Average Formula

$$= (100 - (\text{Quoted Bid} - \text{Lowest Bid}) / \text{Lowest Bid} * 100) * 0.2$$

Evaluated Bid Score = Weighted Average Technical Score + Weighted Average Financial Score

The Decision of Ministry of Information Technology & Telecom of Pakistan will be binding on all concerned and cannot be challengeable at any forum.

The evaluation of a proposal will take into account the following factors:

- Vendor's Technical Capability
- Vendor's Support Strength
- Relevant Experience
- Delivery Timeline
- Brochures, MoU's, Supporting Documents, etc.

In addition, the following Evaluation Factors will be applied:

- (a) Brand Rating of offered Trainings in the industry

2.20 Ministry of IT's Right to Accept or Reject any or All Bids

1. Ministry of IT reserves the right to accept or reject any bid and to annul the bidding process and reject all bids at any time prior to award of contract, without thereby incurring any liability to the effected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for Ministry of IT's action.
2. Ministry of IT may terminate the Contract at any time by giving written notice to the bidder, if the bidder becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation, provided such termination will not prejudice or affect any right of action or remedy, which has, accrued or will accrue thereafter to Ministry of IT.

If the bidder is unable to fulfill its obligations as mentioned in the work plan and withdraws from the project, Ministry of IT shall terminate the contract by issuing a written notice and shall not be responsible to pay off any liability incurred towards the bidder and forfeit the security deposit (bid bond amount).

2.21 Disclaimer to the Evaluation Process

At any point of time, Ministry of IT reserves the right to alter the evaluation and selection process without any intimation to the bidder and the decision of the Ministry of IT will be final in awarding of contract.

2.22 Payment Schedule

The Purchaser shall pay the Contract Price to the Supplier according to the categories and in the manner specified below.

Within each such category, the contract implementation schedule may trigger pro- rata payments for the portion of the total contract price for the category corresponding to the services actually delivered at unit prices and in the currencies specified in the price schedules of the Contract Agreement.

Sr. No.	Work to complete	Payment Percentage
1.	Mobilization advance (against bank guarantee)	10%
2.	Selection of 200 Trainees and provision of course material	20%
3.	Completion of 50% trainer months	20%
4.	Completion of Training	40%
5.	Completion of Contract	10%

For Services supplied, the Purchaser will pay the Supplier in PKR (at the exchange rate prevailing at the day of payment). Any taxes payable in the Purchaser's Region at the time of bidding shall be included in the quoted price and shall be the responsibility of the firm.

2.23 Bid Prices

1. All items in the Project Scope must be listed and priced separately in the Price Schedules. If a Price Schedule shows items listed but not priced, their prices shall be assumed to be included in the prices of other items. Items not listed in the Price Schedule shall be assumed not to be included in the Bid, and provided that the Bid is substantially responsive.
2. Bid prices can be quoted in any convertible currency, however payment shall be made in PKR. At the exchange rate prevailing at the day of payment

Request for Proposals: High Impact Training Boot-camp

2.24 Award Criteria

1. Ministry of IT will award the contract to the successful bidder, whose proposal has been determined to be substantially responsive and has been determined to be the highest evaluated proposal, after considering all factors and who meets the requisites requirements as per "Scope of Work", provided further that the Bidder is determined to be qualified to perform the contract satisfactorily.
2. Ministry of IT will notify by fax/letter by courier, the successful bidder of its intent to enter into a contract. The contract shall be executed only after all necessary management approvals have been obtained.

2.25 Change of Scope

At any time prior to the deadline for submission of bids, Ministry of IT may, for any reason whether at its own initiative or in response to a clarification requested by a prospective Bidder, amend the Tender. Amendments will be provided in the form of Addenda to the Tender and will be sent in writing by courier, cable, facsimile, or electronic mail to all prospective Bidders that have received the Tender Document and will be binding on them. Bidders are required to immediately acknowledge receipt of any such addenda, and it will be assumed that the amendments contained in such addenda will have been taken into account by the Bidder in its bid.

In order to afford prospective bidders reasonable time in which to take the amendment into account in preparing their bids, Ministry of IT may, at its discretion, extend the deadline for submission of bids, in which case Ministry of IT will notify all the bidders.

2.26 Liquidated Damages on Late Performance

If at any time during performance of the Contract, the bidder encounters conditions impeding timely delivery of required items/services, the Bidder shall promptly notify Ministry of IT in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Firm's notice, Ministry of IT shall evaluate the situation and may at its discretion, except for cases of Force Majeure, extend the Firm's time for performance, with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of Contract.

Liquidated damages will be deducted from contract price as per following schedule.

- a) 1st 50 days beyond agreed delivery time – 0.2% per day of the total contract value
- b) 2nd 50 days beyond agreed delivery time – 0.4% per day of the total contract value.
- c) Delay beyond 100 days will result in termination of the contract by MOIT, Forfeiture of Performance Guarantee, and claim additional Risks & Costs to the extent of getting the work completed by alternate vendors.

2.27 Fraud & Corruption

The Ministry of IT Corporation of Pakistan requires that the procuring entities as well as bidders, suppliers, and contractors and their sub-contractors under the MoIT contracts, shall adhere to the highest standard of ethics during the procurement and execution of such contracts. In this context, the Purchaser; (a) defines, for the purposes of this provision, the terms set forth below as follows:

- a) "corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, anything of value to influence improperly the actions of another party;
- b) "fraudulent practice" means any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;
- c) "coercive practice" means impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
- d) "collusive practice" means an arrangement between two or more parties designed to achieve an improper purpose, including influencing improperly the actions of another party.
- e) "obstructive practice" means:
 - i. deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede an investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or
 - ii. acts intended to materially impede the exercise of the MoIT inspection and audit rights provided for under sub clause (a) below.
 - iii. will reject bid(s) if it determines that the bidder has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices in competing for the contract in question;
 - iv. will sanction a firm or individual, including declaring ineligible, for a stated period of time, to be awarded a MoIT financed contract if it at any time determines that the firm has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices in competing for, or in executing, a MoIT financed contract.

The Bidder shall not carry out or cause to carry out the following acts with an intention to influence the implementation of the procurement process or the procurement agreement:

- a) give or propose improper inducement directly or indirectly,
- b) distortion or misrepresentation of facts,
- c) engaging in corrupt or fraudulent practice or involving in such act,
- d) interference in participation of other competing bidders,
- e) coercion or threatening directly or indirectly to cause harm to the person or the property of any person to be involved in the procurement proceedings,
- f) collusive practice among bidders before or after submission of bids for distribution of works among bidders or fixing artificial/uncompetitive bid price with an intention to deprive the Purchaser the benefit of open competitive bid price,
- g) Contacting the Purchaser with an intention to influence the Purchaser with regards to the bids or interference of any kind in examination and evaluation of the bids during the period from the time of opening of the bids until the notification of award of contract.

Request for Proposals: High Impact Training Boot-camp

PPRA on the recommendation of the Purchaser may blacklist a Bidder for a period of one (1) to three (3) years for its conduct including the following grounds and seriousness of the act committed by the bidder:

- a) if convicted by a court of law in a criminal offence which disqualifies the Bidder from participating in the contract,
- b) if it is established that the contract agreement signed by the Bidder was based on false or misrepresentation of Bidder's qualification information,

A bidder declared blacklisted and ineligible by MoIT and PPRA, shall be ineligible to bid for a contract during the period determined by these stakeholders. The Supplier shall permit SLC to inspect the Supplier's accounts and records relating to the performance of the Supplier and to have them audited by auditors appointed by MoIT, if so required by the PPRA.

2.28 Conflict of Interest

A Bidder shall not have a conflict of interest. All Bidders found to have a conflict of interest shall be disqualified. A Bidder may be considered to be in a conflict of interest with one or more parties in this bidding process if, including but not limited to:

- a) have controlling shareholders in common; or
- b) receive or have received any direct or indirect subsidy from any of them; or
- c) have the same legal representative for purposes of this Bid; or
- d) have a relationship with each other, directly or through common third parties that puts them in a position to have access to information about or influence on the Bid of another Bidder, or influence the decisions of the Purchaser regarding this bidding process; or
- e) Bidder participates in more than one bid in this bidding process. Participation by a Bidder in more than one Bid will result in the disqualification of all Bids in which it is involved. However, this does not limit the inclusion of the same subcontractor, not otherwise participating as a Bidder, in more than one bid; or a Bidder or
- f) any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the goods and services that are the subject of the bid.

2.29 Reference Site Visit

1. During evaluation of the Proposals, Ministry of IT may, at its sole discretion, ask a bidder to facilitate visits of bidder's existing client sites (minimum 2 sites) where the bidder's supplied services are in operation or a project similar in nature and scope has been deployed.
2. Short listed vendors may be called to demonstrate its features to MoIT
3. Ministry of IT's Management to affirm functional and technical requirements are met. This activity shall be at the bidder's own risk. The costs of demonstration and visiting the site or sites shall be borne by the Bidder.

2.30 Arbitration

Any disputes or differences arising out in connection with this assignment which cannot be amicably settled within 15 days between the Ministry of IT and the Bidder shall at the request of any party be finally settled by arbitrators, each party will appoint one such arbitrator, arbitrators so appointed before commencing any proceedings will jointly appoint an umpire. Arbitration proceedings shall be conducted under the provisions of Arbitration Act 1940 or any statute which replaces extends or modifies the same. The venue of any such arbitration shall be Islamabad, Pakistan. The Laws of Islamic Republic of Pakistan will govern the contractual relationship between the bidder(s) and the Ministry of IT.

2.31 Force Majeure

If either party is temporarily rendered unable, wholly or in part by Force Majeure to perform its duties or accept performance by the other party under the Contract it is agreed that on such party, giving notice with full particulars in writing of such Force Majeure to the other party within 14 (fourteen) days after the occurrence of the cause relied on, then the duties, of such party as far as they are affected by such Force Majeure shall be suspended during the continuance of any inability so caused but for no longer period and such cause shall as far as possible be removed with all reasonable speed. Neither party shall be responsible for delay caused by Force Majeure.

The terms "Force Majeure" as used herein shall mean Acts of God, strikes, lockouts or other industrial disturbance, act of public enemy, war, blockages, insurrections, riots, epidemics, landslides, earthquakes, fires, storms, lightning, flood, washouts, civil disturbances, explosion, Governmental Export/Import Restrictions, Government actions/restrictions due to economic and financial hardships, change of priorities and any other causes similar to the kind herein enumerated or of equivalent effect, not within the control of either party and which by the exercise of due care and diligence either party is unable to overcome.

The terms of this Contract shall be extended for such period of time as may be necessary to complete the work which might have been accomplished but for such suspension. If either party is permanently prevented wholly or in part by Force Majeure for period exceeding 4 (four) months from performing or accepting performance, the party concerned shall have the right to terminate this Contract immediately giving notice with full particulars for such Force Majeure in writing to the other party, and in such event, the other party shall be entitled to compensation for an amount to be fixed by negotiations and mutual agreement.

If a Force Majeure situation arises, the Bidder shall promptly notify Ministry of IT in writing of such conditions and the cause thereof. Unless otherwise directed by Ministry of IT in writing, the bidder shall continue to perform its obligations under the Contract as far as is reasonably practicable and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

2. If no bidder submits an application pursuant to bidding instructions within a period of seven days of providing the notice, the Purchaser shall accept the bid selected prior to the expiry of bid validity period, and notification of award shall be communicated to the bidder to furnish the performance security and sign the contract within fifteen days.

2.33 Signing of Contract

Within fifteen (15) working days after notification to the successful bidder regarding acceptance of his bid and submission of Bank Guarantee, the contract incorporating all agreements between the parties will be signed.

3 TERMS OF REFERENCE

3.1 Project Overview

Ministry of Information Technology & Telecom (MoIT) is responsible for creating enabling environment and imparting adequate training education to IT graduates so that they are able to be employable for Domestic and Export consumption.

Hence, in order to achieve this mission, MoIT is looking to impart HIGH IMPACT TRAINING BOOT-CAMP)

The below sections outline the detailed training requirements and high level scope the expected outputs of the proposed HIGH IMPACT TRAINING BOOT-CAMP.

3.2 Training Objectives

MoIT intends to execute a bootcamp to provide University Students, and Professionals the experience of high-impact Bootcamps and develop their skills using world-class course work and methodology. MoIT aims that this bootcamp will enable these students and professionals to conduct or be part of execution of such bootcamps in the future. The selected bidder should have experience based on the market knowhow in successful model regions preferably like Silicon Valley of California and other technology centers.

The core objective of the bootcamp is to prepare the bootcamp participants for software development and training jobs in three disciplines:

1. Software Engineering and Cloud Computing
2. Data Sciences, Machine Learning and Artificial Intelligence
3. Blockchain Technology

Bidders should provide detailed weekly course work outline for each of the subjects with comprehensive detail.

3.3 Intended Benefits

Through a successful HIGH IMPACT TRAINING, MoIT aims to achieve following benefits:

1. Enable the trained resources for high performance delivery in the fields mentioned above
2. These jobs are projected to be offered by international and Domestic firms, Government Departments, Institutions who will:
 - (A) Expand their current operations in Pakistan
 - (B) New businesses will be motivated to bring their development work to Pakistan and

Request for Proposals: High Impact Training Boot-camp

(C) Take many of these skilled resources to their home base as employees

3. Domestically these resources should also be able to find jobs both in the public and private sectors. Currently, many of these jobs have been exported to foreign-based companies.

3.4 Scope of Work

3.4.1 Training Scope

- a. Boot Camp contractor should provide a model course work and methodology to be used as a guideline to Universities and other institutions to train students in future and prepare them for SOFTWARE DEVELOPMENT jobs in the field of Software Engineering and Cloud Computing, Data Sciences, Artificial Intelligence (AI) and Blockchain technology) for the next decade: 2020-2029
- b. Each training track should be supervised by highly qualified instructors from world renowned Bootcamp organization(s), preferably from Silicon Valley, for the duration of the fully immersive training around 3-4 months.
- c. Expected training schedule will be between 8-10 hrs/daily for 5 days a week.
- d. Contractor will arrange the training facilities logistics and necessary arrangements for the trainings.
- e. Contractor must also clearly define pre-requisites such as a BS degree in Computer Science, Physics and Math or basic programming skills that may be sufficient for candidates to qualify for bootcamp courses.
- f. Contractor will train a total of 200 trainees (100 in Karachi and 100 in Islamabad) from a total of 3 disciplines as referred in section 3.2. The selection process of trainees will be defined by the contractor. Proper pre-evaluation criteria for selection of trainees will be defined by the contractor with the consultancy of MoIT.
- g. Contractor will provide 2 years' backend technical support after the completion of bootcamp training including (Career counselling, tracking and placement of bootcamp graduates, Content & technical support)

3.4.2 TRAINING SUBJECTS

3.4.2.1 Software Engineering and Cloud computing:

3.4.2.1.1 Course Objectives: Train professionals to:

1. Provision and manage cloud computing environments
2. Develop applications in the cloud and for the cloud

3.4.2.1.2 Technologies/environments to focus:

We believe software development for Cloud Computing will continue to create large opportunities for gainful employment for many years to come.

Request for Proposals: High Impact Training Boot-camp

All major providers of Cloud services have customized programs for their respective clouds. There is a significant overlap in the methodology between all of them, however, separate training modules need to be tailored for each of the cloud service provider.

3.4.2.1.3 Training guidelines:

A training program for cloud computing should be geared towards the two objectives mentioned above. These are related but distinct tracks that require different skillsets and training, defined as:

- Cloud Administrator
- Cloud Developer

3.4.2.1.4 Cloud Administrator Training:

This training is suited towards systems/network/security professionals who have some background in systems administration (Unix/Linux/Windows).

1. Cloud computing fundamentals (CAPEX/OPEX, etc.)
2. For each platform (AWS/Azure/Google etc.)
 - a) Cloud platform fundamentals
 - b) System Operations on the platform
 - c) Security Operations on the platform
 - d) Cloud and Datacenter monitoring and administration
 - e) DevOps on the platform

This highly immersive hands on course should cover the following as a minimum:

- Agile software development practices and the basics of source control and issue tracking
- Front-end development with JavaScript, Hyper Text Markup Language (HTML) Cascading Style Sheets (CSS), and Bootstrap
- Back-end development using Java and Spring Boot and Spring MVC

Request for Proposals: High Impact Training Boot-camp

- Create, Read, Update, and Delete (CRUD) operations using Structured Query Language (SQL) within relational databases
- RESTful Application Programming Interfaces (APIs)
- Unit and integration testing

4.5 General Information Systems Experience Record

Name of Bidder or partner of a Joint Venture:

All individual firms and all partners of a Joint Venture must complete the information in this form with regard to the management of Information Systems contracts generally. The information supplied should be the annual turnover of the Bidder (or each member of a Joint Venture), in terms of the amounts billed to clients for each year for work in progress or completed, converted to U.S. dollars at the rate of exchange at the end of the period reported. The annual periods should be calendar years, with partial accounting for the year up to the date of submission of applications. This form may be included for Subcontractors only if the Invitation to Bid clauses explicitly permit experience and resources of (certain) Subcontractors to contribute to the Bidder's qualifications.

A brief note on each contract should be appended, describing the nature of the Information System, duration and amount of contract, managerial arrangements, purchaser, and other relevant details.

Use a separate page for each partner of a Joint Venture, and number these pages.

Bidders should not enclose testimonials, certificates, and publicity material with their applications; they will not be taken into account in the evaluation of qualifications.
